

Central Basin Community Concert Association
has been bringing live concert performances to
Moses Lake from around the world since 1954.

LET'S BRING THE MUSIC TOGETHER!

The Central Basin Community Concert Association (CBCCA) brings great music and cultural diversity to the Central Basin. Because of community support and donors, we can bring artists, known worldwide, to Wallenstein Theater at Big Bend Community College. With your support we are also able to provide students the opportunity to meet some of these artists in person with school outreach programs. We have had the privilege of helping students realize the possibility of fulfilling their dream of careers in music. CBCCA is an all volunteer 501(c)(3) non-profit organization. Memberships, sales of single concert tickets and corporate and businesses fund our concerts and outreach. Donations have allowed us to offer discounted rates for music students and their teachers.

WE'D LOVE FOR YOU TO BE A PARTNER!
